

// OVERVIEW

# LOGISTICS SOLUTIONS

Whether construction, repair or maintenance – the operation of a wind farm regularly requires personnel, tools, spare parts and consumables. We ensure that your logistics chain does not break down both on land and at sea and that you are regularly supplied with everything you need onshore or offshore.

## WHY CHOOSE WP GROUP?

*We work independently and across manufacturers. Our focus is on the customer, not the manufacturer. As pragmatists with long on- and off-shore experience, we work transparently on flexible and cost-effective solutions.*

*And we can do more: whether logistics, technical or safety-related tests – we are active in many areas and have experience!*
